

Map Shipment Error

GPO received three maps that were intermingled in the same carton. This error was not discovered until after distribution. The three maps that were distributed on 2010-0055-P are:

- * Bucks Lane Snowmobile Trails/Plumas National Forest (Item 187-A);
- * Lakes Basin Snowmobile Trails/Plumas National Forest (Item 187-B); and
- * La Porte Snowmobile Trails/Plumas National Forest (Item 187-C).

GPO has contacted the agency to obtain additional copies of each map for future claims. Upon receipt of the stock, a follow-up message will be posted. We apologize for any inconvenience this may have caused.
